

## Geography Overview

	Autumn 1	Spring 1	Summer 1
Nursery	<u>What are our homes like?</u>	<u>How do we find our way around?</u>	<u>Focus on other UTW strands</u>
Reception	<u>Where do we live?</u>	<u>Where does the Naughty bus take us?</u>	<u>Where does this animal live?</u>
	Seasons ongoing Understand the effect of changing seasons on the natural world around them. Describe what they see, hear and feel outside. Explore the natural world around them.		
Year 1	<u>How to get around our school?</u>	<u>What is our local area like?</u>	<u>How would you welcome a child into your own area?</u>
	Seasons Seasons will be taught throughout the Year in Science and will have a link to Geography too.		
Year 2	<u>Is the UK the same all over?</u>	<u>What are the seven continents and five oceans?</u>	<u>What are the hot and cold places around the world?</u>
Year 3	<u>What is a region, city and where are they located?</u>	<u>How did the landscape and land use of the United Kingdom change over time?</u>	<u>Are all coasts the same in the UK?</u>

Year 4	<u>What is the location of Europe and is it the same?</u>	<u>What was the Geographical impact of Romans in Britain?</u>	<u>How is the North west UK similar or different to the Naples Bay Region in Italy?</u>
Year 5	<u>Is there more to North America than just the U.S.A. (or Disneyland)?</u>	<u>What and where are the cities in the UK?</u>	<u>How is the Caribbean similar or different from the North West?</u>
Year 6	<u>Is there more than the Amazon rainforest in South America?</u>	<u>What map is best?</u>	<u>What is going on in our world?</u>
