

Science Overview

	AUTUMN TERM		SPRING TERM		SUMMER TERM	
EYFS	Humans Materials, including changing materials	Earth & Space Animals, excluding humans (habitats)	Forces (incl floating and sinking)	Animals, excluding humans (life cycles) Light and shadows	Living things and their habitats	Plants Materials (freezing)
	Seasons					
Y1	Animals including Humans		Everyday materials		Plants	
	Seasons					
Y2	Uses of everyday materials		Animals including Humans		Plants (throughout year - begin in Autumn 2)	Living things & their habitats
Y3	Plants	Animals including humans	Rocks	Light	Forces and magnets	Plants (to finish)

Science Overview

Y4	Electricity	Animals including humans	States of matter & the water cycle		Living things and their habitats	Sound
Y5	Forces	Animals including humans	Properties of materials	Earth and space	Changes of materials	Living things and their habitats – life cycles
Y6	Light	Electricity	Animals including humans	Evolution and inheritance	Living things and their habitats
